Program Description

The Nail Specialty program prepares students for a career in the professional care and beautification of the nails, hands, and feet. The program provides students training in scientific principles and fundamentals related to the structure and function of the nails, as well as the safety and sanitation required to perform services in the professional world. Students will learn proper procedures in the art of performing manicures and pedicures, adding nail extensions, and techniques in nail artistry.

The content also includes Florida law and Board of Cosmetology rules, ethics, human relations, sales techniques, business management, employability skills, and safe, efficient work practices.

Licensure/Certification

A certificate of completion is awarded to a student upon successful completion of all program requirements. Students must complete a Board of Cosmetology approved 4-Hour HIV/AIDS course before the certificate is awarded. Students must complete an application with the Board of Cosmetology on the Department of Business & Professional Regulation’s (DBPR) website for their specialty registration in order to work as a Nail Specialist. (Fees for the application are included in the cost of the program.) [Board of Cosmetology website](#)
