Program Description

The Cosmetology program prepares students for a career in the professional care of the nails, skin, and hair. The program provides students training in the theory and practical skills that they need in the beauty industry as a licensed Cosmetologist. Students will learn the proper procedures and techniques related to nails, skin, and hair. Skills practiced in a salon atmosphere include manicures, pedicures, nail extensions, facial treatments, hair removal, waxing, make-up artistry, shampoos and sets, permanents, scalp treatments, haircuts, hair coloring, and proper sanitation.

The content also includes Florida law and Board of Cosmetology rules, ethics, human relations, sales techniques, business management, employability skills, and safe, efficient work practices.

Licensure/Certification

A certificate of completion is awarded to a student upon successful completion of all program requirements. Students must complete a Board of Cosmetology approved 4-Hour HIV/AIDS course before the certificate is awarded. Students must complete an application with the Board of Cosmetology on the Department of Business & Professional Regulation's (DBPR) website and pass the Florida State Board of Cosmetology examination in order to work as a cosmetologist. (Fees for the Board of Cosmetology Application and State Board Exam are included in the cost of the program.)
